## Ty6 Prov1 HT24 M2

**41: Tue 8 Oct 13:10 - 13:50, Ty6**

**Prov**

Ty6 Prov1 HT24

The exam consists of 2 parts. Some require preparation (written production), while some are done without preparation (reception, i.e. listening and reading comprehension).

### **Written production: Tuesday 8/10**

You should be able to:

#### **Ordörråd (vocabulary):**

- German/Swedish TB p.7
- chap. 1 TB pp. 10-15
- chap. 2 TB p.18-29

**How do I best practice?** Go through all the texts, listen to them (practice master), read them (aloud!), stop if you don't understand a word and check it in the book or vocabulary book.

#### **Communication** (you will find everything in the same pages as "vocabulary):

- Greetings (when meeting and when leaving) - also in Austria/Switzerland
- You should be able to ask (and answer) when you want to know someone's name• You should be able to ask (and answer) when you want to know where someone is from• You should be able to ask (and answer) when you want to know where someone lives and address and ask for a phone number
- You should be able to ask (and answer) when you want to know how old someone is.
- Numbers 0-20

- Capitals of Germany, Austria, Switzerland and Liechtenstein

**How do I best practice?** Repeat all the steps and try to say AND write it.

**Grammar:**

- Verb conjugation in the present tense (*ich, du, er/sie/es, wir*) of "**kommen, heißen, liegen, wohnen, finden, spielen**" (you can also find on the pages I listed in vocabulary + AB S.9-10,
- How to say "I am, you are, he/she/it is" (verb "sein" i.e. "be")
- Question words "who, where, where, from where, how, what, why" (AB S.12)

**Written production**

- You should be able to write a short text about you: who you are, where you come from, where you live, how old you are, what you like/don't like (the verb "finden + Sak/Person, e.g. "ich finde Schokolade gut"), if you play something (sports or other)

### Feedback from teacher

You need to practice before the vocabulary examination. It seems like you didn't. Vocabulary is important because without "words" there is no language :). We had also talked about that all "nouns" (things, people) are written with a capital letter beginning. It will then be "Heaven" and "Moped" (the two words you knew).

**Homework**

Ty6 Homework: Ich (instructions in description)

Write in your booklet your name, how old you are, where you live and how you feel (**use the document you got from me during the last lesson!**)

**Can't find it anymore? Write to me via Teams, I'll solve it on Tuesday when I'm at work.**
